On Tap

Adnam's Broadside (4.7% ABV)

Brewed in Southwold at the Sole Bay Brewery with locally grown and malted barley, Broadside commemorates the battle of Sole Bay in 1672. Brewed with Pale Ale malt and First Gold hops, it is a darky ruby red beer rich in fruitcake aromas, almonds and conserved.

Crouch Vale's Brewer's Gold, (4.0% ABV)

Supreme Champion Beer of Britain at the Great British Beer Festival 2005 and 2006, this is a pale, refreshing and hoppy beer with gorgeous aromas of tropical fruits. From South Woodham Ferrers finest microbrewery!

Calvors Premium Suffolk Lager (5% ABV)

One of the few lagers brewed in the UK, the only one brewed in Suffolk. Alec Williamson brews from his family's farm near Coddendam, Ipswich. After fermenting, it is stored and conditioned for a number of weeks before being triple cold filtered. It uses locally grown malted barley. It is clean, refined, hoppy, a really polished beer ideal as a thirst quencher or with food.

Aspall Suffolk Cyder (5.5% ABV)

Aspalls have been making cyder since 1725 with apples such as Kingston Black, Medaille d'or, Cox, Bramley, Yarlington Mill, Tremlett's Bitter, Blenheim Orange, Chiver's Delight, Tom Putt. An earthy, country style cider with great charm and wine-like appeal.

London Stout, Meantime Brewery, Greenwich (4.5% ABV)

Derived from the original Stout Porters of early 19th Century, made without the roast barley used in their Irish descendents. Dark malts and London water work together to give a beer of great complexity with a rich and complex palate of caramel, molasses and nut roast, and a gentle malt bitter dryness to finish.
